

KEEPING THE TEACHER TEACHING-Preservation through Positivity

Shifu/Sensei Kore Grate

AWMAI Lecture-Discussion designed for Teachers, Head Instructors, Assistant Teachers, & Leaders.

“What happens when we get challenged, tired, bored or un-inspired and still have to get up, go to the dojo/school and teach a class for our dedicated, amazing students?

Something occurs that is invisible, yet up-lifting when we see someone actually learning-we change in that moment, and are re-inspired.

We will explore and discuss various methods/tactics/ideas we use to keep growing, learning and being inspired as leaders so the legacy lives on in our students”.
